PGDM Information Brochure for Admissions Batch 2025-27

About National Insurance Academy (NIA)

Established in 1980 by Public Sector Insurance companies, the National Insurance Academy (NIA) is a leading institution for learning, education and research in Management, Insurance, Pension, and allied areas not only in India but in the African, Middle East and Southeast Asian region.

The Academy started the AICTE approved PGDM in 2010. The course has been accredited by the National Board of Accreditation (NBA) and granted equivalence to MBA by AIU.

The Governing Board of NIA has Chairman and the Managing Directors of LIC of India, Chairman-Cum-Managing Directors of General Insurance Corporation of India and Public Sector General Insurance Companies, a senior representative of the Ministry of Finance, Government of India along with eminent personalities from the Academia chosen for their distinctive contribution to the cause of Insurance, Education and Finance and in other fields.

The present Chairman of NIA Governing Board is Shri Siddhartha Mohanty, CEO & MD, Life Insurance Corporation of India. The Principal-PGDM is Dr. Sanjay Mali.

The sponsorship and patronage enjoyed by NIA have made it a prime destination for Education, Research, Training, Consultancy and Leadership Development in Insurance, Pension and Risk Management in South and Southeast Asia. On 11th October 2023, NIA has entered into an MOU with African College of Insurance and Social Protection (ACISP), Tanzania with an aim to establish a world class modern facility to serve Africa in the fields of Insurance, Social Protection and allied fields.

Vision

NIA to be a global institution of excellence in learning and research in Insurance, Pension and allied areas.

Mission

- To build capacities in the management of Insurance, Pension and allied sectors.
- To create a stream of young talent for the Insurance, Pension and allied sectors.
- To provide strategic approaches in the Management of Insurance, Pension and allied sectors.
- To undertake and create an ambience for policy research in Insurance, Pension and allied sectors.
- To promote learning: education and training in Insurance, Pension and allied sectors.

Programme Educational Objectives

- Develop the ability to practically implement theoretical concepts, emphasizing hands-on experiences and real-world applications.
- Cultivate essential industry skills ensuring graduates are well-prepared for diverse roles within the industry by fostering capacities such as critical thinking, problem-solving, effective communication, and ethical decision-making, enhancing the overall competency of students.
- Identify and select high-potential students with a focus on insurance, pensions, and allied sectors, ensuring a talent pool that aligns with industry needs and promote career choices that align with the institute's mission.
- Inculcate a culture of research and innovation by engaging students in policy research projects related to the insurance and allied sectors, fostering an environment where critical thinking and evidence-based decision-making are valued.
- Promote a deep understanding of insurance and allied sectors among students and corporates through targeted educational and training programs.
- Encourage a commitment to continuous learning, ensuring graduates remain informed about evolving industry trends and advancements.

Keeping in tune with the Vision and Mission of NIA, the Academy has always been engaged in:

- a. Designing, developing and conducting innovative Management Development Programmes (MDPs) for Insurance Professionals both at the Middle and Senior Management level from the Insurance Industry and other allied sectors from India and abroad since its inception in 1980.
- b. Research and Publication in Insurance, Pension and allied sectors.

POST GRADUATE DIPLOMA IN MANAGEMENT (PGDM)

The curriculum consists of 55% core Management subjects like Finance, HR, Marketing, Analytics and Technology along with 45% Insurance Subjects viz. General Insurance, Life Insurance, Re-Insurance and Pension. Thus, the PGDM of NIA stands out in comparison with other PGDM Courses of similar nature and gives the student an added advantage of choosing an industry like Insurance, technology which is set for unprecedented expansion, while making their career choices. This programme is so designed to nurture students for top leadership role like CEOs in future and also to create entrepreneurs in the field of Insurance and Technology.

The unique blend of Management and Insurance has made the programme attractive to the employers giving a choice of well nurtured talent ready to take up any managerial position in Insurance and allied areas. NIA has 100% placement record right from the First Batch of 2010-12. The Alumni are working with reputed Multinational and Indian Reinsurance, Insurance Companies, Insurance Brokers, leading IT Companies & other industries both in India and abroad.

The PGDM is a full-time programme that has hostel facility on merit basis for students & with the state-of-the-art facilities that include classrooms, labs, conference hall etc. In addition, the campus has a world class library, swimming pool, outdoor games facilities, gym and yoga centre.

ALUMINI SPEAK

“ My journey at NIA was a wholesome experience- gave me technical understanding of insurance subjects, industry seminars and interaction helped me gain positive insights on the sector’s growth potential. Faculties are resourceful and supportive enabling students to be corporate ready!

Needless to mention campus is magical and is an impactful launch pad for building career in Insurance. ”

Rahul Gaglani (Batch 2016-18)

Underwriter-War & Terrorism,
Markel International

“ My time at NIA was a highly rewarding experience, equipping me with a strong technical foundation in insurance. The exposure we get by participating in various industry seminars and interactions with industry delegates provided valuable insights into the sector’s growth opportunities.

The faculty’s expertise and support were instrumental in preparing us for the demands of the corporate world. Additionally, the campus offers an inspiring environment that effectively fosters the development of a successful career in insurance. ”

Nilofar Khanum (Batch 2012-14)

Sr. Business Consultant
Happiest Minds Technologies Inc

Why NIA?

Advantage@ NIA

Excellent track record of placement. Some students are selected by overseas companies. The PGDM Programme is approved by AICTE and accredited by NBA. The course has also been granted equivalence to MBA by AIU.

The PGDM programme has a unique blend of Management and Insurance subjects where emphasis is placed both on theory and practice. Students of NIA on completion of PGDM have exemption in Associateship examination conducted by Insurance Institute of India based on specific criteria. This gives them an edge over others in gaining insurance knowledge and good placement through campus selection.

The faculty comprises of academicians and practitioners who are on NIA campus on full-time basis, in addition to regular visiting faculty. Excellent infrastructure facilities for curricular, Co-curricular and extracurricular activities that includes a library stocking over 25000 books and around 4000 + holdings and online journals on management and insurance.

A good number of students concurrently pursue Insurance courses through Insurance Institute of India (III) Mumbai, CII-UK, CPCU-USA and Actuarial exams of Institute of Actuaries of India giving them a distinctive advantage in placements.

The PGDM programme of NIA provides the students a practical exposure and opportunity to interact with Regulators, CEOs of Insurance Companies and other Professional Bodies by involving them in several interactive Seminars, Conferences and Insurance Summits throughout the 2 year course.

The 32 Acre campus in the city of Pune on the Mumbai-Bengaluru highway with greenery all around provides an unmatched ambience along with high safety and security for the students.

ACADEMIC INFRASTRUCTURE

There are 10 air-conditioned lecture halls equipped with state-of-the-art facilities. Six of these classrooms are dedicated for PGDM Students. In addition, there are 8 syndicate rooms to facilitate group discussions, case studies, presentations and deliberations. Separate reading rooms are also available for the use of the students.

Convention Centre:

There is also a best-in-class auditorium with a seating capacity of 220 with excellent audiovisual system.

Glimpse into NIA Library:

It is one of the few libraries in India having the choicest collection of books in life Insurance, non-life insurance and management areas. The reading room of this library is equipped with almost all national and international journals in Insurance, Actuarial Science, Pensions and related areas including journals for general awareness and entertainment. A variety of research publications add further value to this already rich knowledge bank.

Computer Facilities :

NIA has a Windows based LAN, connected to state-of-the-art terminals spread all over the establishment. The Academy has IT park classroom for IT training. Wi-Fi facility is available in the campus.

Insurance Labs :

The academy fosters a unique concept known as Insurance Labs. There are motor lab, marine lab and health lab for the students to get practical knowledge on related general insurance subjects.

Hostel :

The student's hostel "Sarvapalli" has fully furnished spacious rooms. The hostels are separate for male and female students. It has 24 hours uninterrupted power and water supply. Round the clock security is provided in the hostel and in the rest of the campus. There is also the Internet facility with Wi-Fi connectivity for the students in the rooms. Hostel facility is for the first-year students only.

Grievance Redressal Committee & Anti-Ragging Committee: The Academy is fully compliant with the regulations pertaining to "Establishment of Mechanism for Grievance Redressal Regulations, 2012 of AICTE" & Internal Complaint Committee.

NIA follows anti-ragging regulation as per AICTE norms.

Health Care: There is a clinic where a doctor visits regularly and is also available on call. In addition, students have the benefit of mediclaim and personal accident cover up to a specified amount under a group policy during the duration of the course.

Sports and Recreation: The multipurpose sporting complex has facilities for badminton, table tennis, billiards, state-of-the-art gymnasium, sauna, jacuzzi. There is a swimming pool in the sporting complex.

There is also an open ground for playing cricket, football and basketball.

Yoga & Meditation Hall: There is a separate Yoga and Meditation Centre in the campus.

Jogging Track and GIC Pathway: The 1.5 kms jogging track encircling the campus is a wonderful way to breathe fresh air and hear chirping of the birds. The GIC Pathway close to sporting complex is a water-fed pathway with gravel for acupressure therapy.

Banking and Postal Services : A branch of Bank of Maharashtra and a Post Office are located near the main gate of the campus for banking (Forex services is also available) and postal needs, including ATM facility.

Other Unique Features:

The officials including faculty working at NIA live on the campus. The atmosphere is lively with families contributing to the vibrancy. Many festivals are celebrated with enthusiasm by the families of campus residents including children where the students also participate wholeheartedly. All cultural programmes involve all the residents of the campus, students & MDP participants.

In short, the students shall feel that NIA is a home away from home.

To sum up the students of the academy are provided with every facility to grow intellectually, emotionally, and spiritually in conditions conducive for the same. The Academy equips them with the skills to face the challenges of the outside world with courage, conviction and competency.
