The two-year PGDM program comprises six trimesters, three in the first year and three in the second year. Each trimester is of 12 to 14 weeks' duration. The curriculum for the PGDM programme has been devised not only to inculcate necessary knowledge / skills in various management subjects, but also to introduce the students to the basics of insurance subjects and prepare them for future executive roles and job performance in insurance and allied industries. Due care is taken to balance the curriculum through judicious blending of courses.

For each subject, there is a continuous evaluation for 50 % marks & end examination for 50 % marks.

The assessment process adopted at NIA focuses on assessing the attainment of knowledge, improvement in intended skills and ability of practical applications in students when students are engaged in the learning process. This formative assessment is carried out by using a combination of wide-ranging tools. Some of the important tools for continuous evaluation that are regularly utilised are as below:

- (a) Objective type quiz (announced or surprise)
- (b) Project assignments
- (c) Essay writing
- (d) Class participation
- (e) Viva Voce
