Empowering Every Indian: Insurance for Inclusive Growth

India is striving for inclusive growth, and insurance plays a key role in this mission by offering financial security and empowerment. In a nation with significant socio-economic disparities, insurance bridges the gap between the privileged and underprivileged, creating opportunities for all.

Insurance manages risk by providing protection against unforeseen events such as illness, accidents, natural disasters, and death. For vulnerable populations, comprehensive insurance is transformative, enabling investment in education and entrepreneurship without the fear of financial instability.

Programs like the Pradhan Mantri Jan Dhan Yojana (PMJDY) have integrated millions of unbanked Indians into the formal financial system, offering basic life and accident insurance. The Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY) and Pradhan Mantri Suraksha Bima Yojana (PMSBY) extend affordable life and accident insurance to economically weaker sections, fostering security and confidence.

In agriculture, the Pradhan Mantri Fasal Bima Yojana (PMFBY) provides crop insurance, protecting farmers from natural calamities and supporting rural development. Health insurance schemes like Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (PM-JAY) aim to cover over 100 million poor families, reducing healthcare costs and improving health outcomes.

Insurance promotes resilience and self-reliance, encouraging future planning and investment. Literacy campaigns and community initiatives educate people about the benefits and effective use of insurance.

In conclusion, insurance is a catalyst for inclusive growth in India, providing a safety net and promoting financial stability. It enables all Indians to pursue their dreams and contribute to the nation's progress, ensuring no one is left behind.

**DIRECTOR (JOINT CHARGE) &
CHAIR PROFESSOR (LIFE)**

Dear recruiters,

The National Insurance Academy (NIA) is a premier institution in the field of insurance education and management. With a legacy spanning 42 years, we have consistently nurtured and honed young talents to become leaders and innovators in the insurance industry. It gives me immense pleasure to extend my heartfelt welcome to each one of you as we embark on the journey of the Final Placement Program for the academic year 2023-25 at NIA, Pune.

At NIA, we are committed to fostering an environment of growth, learning, and collaboration. Through our cutting-edge curriculum and industry interactions, we aim to equip our students with the skills, insights, and practical experience necessary to excel in the dynamic world of insurance. I invite you to be a part of this transformative journey, as we both play a crucial role in shaping the future of our students and the industry.

Your participation and mentorship will undoubtedly contribute to the holistic development of our students and reinforce NIA's standing as a center of excellence. I extend my gratitude to all the industry partners with whom we share a special relationship. Over the years, you have shown immense trust in our students and the Academy. I also welcome new entrants to the industry, aiming to build a harmonious and symbiotic relationship. I request you to help us in developing these budding managers by providing them with an opportunity to work with your esteemed organizations during their final placements.

Thank you for your unwavering support and commitment to our students. Your collaboration is invaluable, and I eagerly anticipate a fruitful partnership that will lead to a successful and rewarding placement season for all involved.

With regards,

V. Balagopal

**DIRECTOR (JOINT CHARGE) &
PLACEMENT COORDINATOR**

Dear Esteemed Recruiter,

Greetings from the National Insurance Academy (NIA)! We're delighted to invite you to the Final Placements of our esteemed 2023-25 PGDM Batch. Your enduring trust in our institution over the past two decades has been pivotal to our success, ensuring a flawless 100% placement record since our inception.

At NIA Pune, we're dedicated to fostering a diverse and highly skilled talent pool, tailored to meet the evolving demands of the industry. Our flagship PGDM Program, known for its rigorous and industry-specific curriculum, aims to cultivate top-tier professionals capable of excelling in dynamic work environments.

We prioritize holistic student development, focusing on soft skills, time management, etiquette, and language proficiency. Our training modules include mock GD/Interviews, debates on insurance issues, white paper reviews, and case study presentations. Additionally, guest lectures from industry experts offer real-life insights into General Insurance, Reinsurance, Information Technology, and Life Insurance domains.

Notably, our pioneering On-Job Training (OJT) program facilitates seamless engagement between our students and industry professionals from esteemed Public Sector Undertakings (PSUs) in and around the city. This immersive experience provides our students with a profound understanding of real-time work culture, enabling them to hit the ground running upon graduation.

Once again, we cordially invite you to participate in the Final Placements for the 2023-25 batch at NIA Pune. We are confident that this will be a mutually enriching experience, and we eagerly anticipate a prosperous collaboration with your esteemed organization.

With regards,

Renjit Gangadharan

SOCIAL OUTREACH PROGRAM

Insurance Awareness Rally

On the occasion of our 43rd Foundation Day, the Institute organized an Insurance Awareness Rally, also known as the Bima Jagrukta Rally. This initiative was ingeniously designed to disseminate knowledge pertaining to the multifaceted aspects of insurance and to underscore its indispensable significance to the public. The rally brought together students and faculty members, who enthusiastically chanted insurance awareness slogans in Hindi, English, and Marathi. They proudly brandished banners as they participated in the rally, manifesting the unity of the NIA community in their pursuit of a shared objective.

This collaborative endeavour was conceived with the overarching aim of advancing the goal of attaining universal insurance coverage by the year 2047. By embarking on this mission, NIA reaffirms its unwavering commitment to fostering a culture of financial security and protection, thereby empowering individuals, and communities to navigate the complexities of life with confidence and resilience.

Blood Donation Campaign

National Insurance Academy demonstrated its commitment to community engagement and social responsibility by hosting a blood donation camp of its Foundation Day. This event was open to all esteemed faculty members, dedicated participants, and conscientious students within the NIA community. The blood donation camp was marked by an atmosphere of high spirits and remarkable enthusiasm displayed by both students and faculty members. Their collective zeal and determination played a crucial role in ensuring the success of this life-saving initiative. In acknowledgment of each participant's invaluable contribution to this noble cause, NIA extended its gratitude by presenting them with a certificate of appreciation.

SOCIAL OUTREACH PROGRAM

Social Outreach

National Insurance Academy arranged a rural outreach program to spread awareness and educate the households in rural areas about insurance and its benefits. This outreach program was launched across villages in and around Pune. Students had organised a variety of outreach initiatives that benefited the community and allowed the students to fully realise their leadership potential. Some of the initiatives are listed below:

- A nukkad natak was prepared and performed by the NIA students covering prominent insurance schemes to spread awareness amongst public about them.
- Surveyed villagers for their existing insurance knowledge and understood their needs.
- Interaction with school children to make them aware about importance of insurance.

PGDM PROGRAMME

The two year full time Post Graduate Diploma in Management (PGDM) with specialization in Insurance & Management is approved by AICTE and accredited by NBA and has MBA equivalence by AIU. It seeks to be a blend of technical competence in insurance with a sound understanding of the principles of management and the contexts in which these are practiced and thrives to instil in students a creative problem solving approach to meet the growing needs of today's business world.

Selection Process

The process of selection of students begins with the shortlisting on the basis of scores of either CAT (Common Admission Test) or CMAT (Common Management Admission Test). The shortlisted students then qualify for the group discussions and personal interviews. Each student has to complete six trimesters of extensive academic work along with eight weeks of Summer Internship Program, Major Research Project, Value Addition Project and participation in various workshops to qualify for the Diploma.

Faculty

NIA's multi-disciplinary faculty is drawn from the cream of academia as well as the industry. Our visiting faculty includes people holding significant positions in the industry. This wealth of experience and inputs on the current market scenario help our students keep pace with the highly dynamic corporate environment. Academic excellence is achieved through innovations in teaching methods and effective delivery. Apart from classroom learning, great importance is placed on panel discussions, guest lectures, and continuous interactions with other students and industry professionals.

Culture

NIA, being a national institute showcases a multifaceted culture. The identity of this hallmark institution is not to walk on the trodden path but to make a new path of its own. It aims to be the benchmark, and to be the first to respond to the changes and needs of the hour that nobody would have taken up for the betterment of the nation. The core belief is the holistic development of every individual and fulfilling the ideology of 'together we grow'. The environment of the academy evokes the image of a 'Gurukul' with modern amenities.

Added Course Benefit

NIA Students fulfilling the prescribed requirements are eligible to claim course wise exemption from the Insurance Institute of India papers up to 220 credit points and become Associates and Fellows of Insurance Institute of India.

Summer Internship Programme (SIP)

Each student must complete eight weeks of Summer Internship to be eligible for the Diploma. Students are placed in reputed companies in various verticals of the industry. This gives them a first-hand experience of the functioning of the industry. It also helps them in learning the concepts better as it is easily relatable after they have experienced it themselves. This program prepares them for their final placements.

Major Research Project (MRP)

To inculcate the ability to conduct quality research and generate research-based knowledge, each student is required to undertake a major research project on a topic from the field of insurance, management, and allied disciplines. The student is required to work on a MRP in the VI Trimester and submit a report.

Value Addition Project (VAP)

It is experienced that businesses very often search for creative and agile human resource who can come up with innovative and implementable solutions to address challenges posed by rapid changes in business environment. To infuse such skills in students, the VAP is designed. The students need to take up a Project on a strategically important issue or industry problem and give recommendations to address them.

ALUMNI CORNER

National Insurance Academy is a premier institution in the insurance sector, providing specialized education and a strong commitment to personal development. With a stunning campus and state-of-the-art facilities, NIA offers an engaging learning environment. The faculty of industry veterans imparts in-depth knowledge and concepts. NIA environment also fosters a sense of camaraderie among mates. Its strong alumni network engages with students supporting career development and offering opportunities for successful collaborations. To summarize, NIA as your alma mater is like the jewel in the crown for individuals in the insurance or related industry.

Danish Bhatnagar

Senior Consultant, ANZ INS Consulting, Cognizant Technology Solutions, Australia

NIA is one of the best places to find well-rounded talent who can excel in every aspect of Insurance and Technology management. Look at the course that candidates learn and get exposed to, at this institution, including the valuable access to industry leaders and professionals. In the 2 years of NIA journey even a zero-insurance background person starts talking about management, strategies, planning, insurtech, core insurance functions etc with ease. I thank my alma mater for what I gained here, and I wish all the best to the current and future batch candidates.

Shatanjoy Verma

Product Owner (Manager), Liberty Mutual Insurance, USA

NIA has certainly given my career a head start vis a vis other institutes... Without the strong foundation of NIA coupled with the goodwill of the institute, we would not be where we are in terms of our growth and position in the industry... If you want to make a career in (Re)Insurance, without a doubt NIA is the place to start from.

Mohammed A. Noorani

Director, Interlink Insurance & Reinsurance Brokers Pvt Ltd.

Apart from an insurance focussed curriculum and some great faculty, I believe the industry wide connection you are able to make being part of NIA alum network is an under advertised benefit. This network has been leveraged numerous times for various initiatives and will continue to build momentum with passage of time.

Sarim Iman

Deputy Vice President, Tata AIG General Insurance

NIA provided a strong foundation which helped me set my foot in the life insurance industry and most importantly made me aware of the actuarial field which I started pursuing upon enrolling in NIA. Today it gives me immense pleasure to act as a guest lecturer for one of their courses in Reinsurance.

Prathamesh Ghanekar

Vice President, Swiss Re

With the ever-widening scope and potential of the insurance sector, the National Insurance Academy acts as a career enabler. Being a reputed academic institution, it focuses on providing a perfect combination of competent faculty, a well-equipped campus, and a closely knit network. I found the environment at NIA to be positive and growth-oriented, which has been instrumental in my professional journey.

PLACEMENT COMMITTEE

The entire placement activity is coordinated by the Placement Office, which is the main interface between the corporate world and the Academy. The Placement Office is headed by the Placement Chairperson who is assisted by the Placement Officer for coordinating various activities. All placements related activities at NIA are coordinated by the Placement Office. Placement Office discharges its responsibilities under the guidance and supervision of Faculty Placement Committee and with the assistance of Student Placement Committee. The committee coordinates the Summer Internship & Campus recruitment programs. It approaches prospective employers, arranges Pre-Placement Talks, Group Discussions and Personal Interviews in the Campus and arranges all the required resources for successful execution of placement activities.

Building Campus Presence

The recruitment process is said to be complete when both the student and the recruiter communicate, in order to know each other. NIA offers appropriate platform to the recruiters to put forward opportunities to apprise our student's corporate work profile and career opportunities.

The following are some of our recommendations-

Conference and Workshops

Conferences, workshops, guest lectures, panel discussions and speaker series have proved to be an enriching experience for academic interactions between the students and recruiters. These programs have also helped the organizations to maintain contacts with the students round the year.

Pre-placement Talks

Pre - Placement Talks facilitate the recruiters to present their organization's vision and mission to our students. It therefore, gives the students a better chance to understand the organization, its objectives, people and culture which helps the students in forming correct first hand impressions that would enable them to take informed decisions.

These sessions and specific Pre-Placement Talks can be organized at mutual convenience through the Placement Office.
