CHAIR PROFESSOR (LIFE) &
CHAIRPERSON, ADMISSION COMMITTEE**

Dear Recruiter,

I am excited to introduce the dynamic and skilled batch of PGDM 2024-26 from the National Insurance Academy, who are keenly anticipating their summer internship opportunities.

The National Insurance Academy is a leader in the fields of insurance, pensions, and related sectors. The Post Graduate Diploma in Management Program, which is approved by AICTE, accredited by the National Board of Accreditations (NBA) and has equivalence of an MBA by the Association of Indian Universities (AIU), is a testament to our dedication to developing industry leaders.

Our comprehensive six-trimester curriculum includes a two-month summer internship that provides students with invaluable real-world experience. This program equips our students with a deep understanding of both insurance and management, preparing them to tackle the complexities of the corporate world from day one.

The curriculum covers essential areas such as Life Insurance, General Insurance, Health Insurance, and Reinsurance, along with key functional domains like Marketing, Financial Management, Strategic Management, Human Resource Management, IT and Managerial Economics, and the Legal/Compliance aspects of Insurance. This well-rounded approach ensures our graduates are thoroughly prepared for the industry's diverse challenges.

We are enthusiastic about the opportunity to collaborate with your organization for our Summer Placement Program for the PGDM Batch 2024-26. We believe this partnership will be mutually beneficial, fostering growth and innovation. We look forward to the possibility of working together.

With regards,

V. Balagopal

The two year full time Post Graduate Diploma in Management (PGDM) with specialization in Insurance & Management is approved by AICTE and accredited by NBA and has MBA equivalence by AIU. It seeks to be a blend of technical competence in insurance with a sound understanding of the principles of management and the contexts in which these are practiced and thrives to instil in students a creative problem solving approach to meet the growing needs of today's business world.

SELECTION PROCESS

The process of selection of students begins with the shortlisting on the basis of scores of either CAT (Common Admission Test), XAT or CMAT (Common Management Admission Test). The shortlisted students then qualify for the group discussions and personal interviews. Each student has to complete six trimesters of extensive academic work along with eight weeks of Summer Internship Program, Major Research Project, Value Addition Project and participation in various workshops to qualify for the Diploma.

FACULTY

NIA's multi-disciplinary faculty is drawn from the cream of academia as well as the industry. Our visiting faculty includes people holding significant positions in the industry. This wealth of experience and inputs on the current market scenario help our students keep pace with the highly dynamic corporate environment. Academic excellence is achieved through innovations in teaching methods and effective delivery. Apart from classroom learning, great importance is placed on panel discussions, guest lectures, and continuous interactions with other students and industry professionals.

CULTURE

NIA, being a national institute showcases a multifaceted culture. The identity of this hallmark institution is not to walk on the trodden path but to make a new path of its own. It aims to be the benchmark, and to be the first to respond to the changes and needs of the hour that nobody would have taken up for the betterment of the nation. The core belief is the holistic development of every individual and fulfilling the ideology of 'together we grow'. The environment of the academy evokes the image of a 'Gurukul' with modern amenities.

ADDED COURSE BENEFIT

NIA Students fulfilling the prescribed requirements are eligible to claim course wise exemption from the Insurance Institute of India papers up to 220 credit points and become Associates and Fellows of Insurance Institute of India.

SUMMER INTERNSHIP PROGRAMME (SIP)

Each student must complete eight weeks of Summer Internship to be eligible for the Diploma. Students are placed in reputed companies in various verticals of the industry. This gives them a first-hand experience of the functioning of the industry. It also helps them in learning the concepts better as it is easily relatable after they have experienced it themselves. This program prepares them for their final placements.

MAJOR RESEARCH PROJECT (MRP)

To inculcate the ability to conduct quality research and generate research-based knowledge, each student is required to undertake a major research project on a topic from the field of insurance, management, and allied disciplines. The student is required to work on a MRP in the VI Trimester and submit a report.

VALUE ADDITION PROJECT (VAP)

It is experienced that businesses very often search for creative and agile human resource who can come up with innovative and implementable solutions to address challenges posed by rapid changes in business environment. To infuse such skills in students, the VAP is designed. The students need to take up a Project on a strategically important issue or industry problem and give recommendations to address them.

When I was going for my admission to NIA, I had mixed feelings about how my career will shape up in the next few years. However, once I landed in the Institute, I was in awe. I relished my two years of stay in the campus where I got the perfect blend of Faculty, Research and Facilities to hone myself for the corporate world. NIA shaped a unique set of value systems that enabled me to take up roles with sincerity, integrity, and earnestness. As I progressed in my career, I could correlate a lot of my success to the meaningful two years I invested in my NIA education. I have seen my career span nearly two decades in the Information technology Industry and I have seen several major changes impact the industry, however due to my strong domain knowledge and attitude for embracing change - both inculcated at NIA- I could easily adapt to circumstances and make progress. I would therefore like to thank NIA for preparing so many resilient and high thinking individuals who are at the forefront in shaping the leadership in the Insurance Industry by imparting high quality education, training and research and has proven itself as the seat of insurance and management education in India and abroad.

- **Manjita Muralidhar**, Director (Business Analytics), Majesco

National Insurance Academy (NIA) , Pune has been one of the Pioneers in Insurance education. The institute has faculty from industry as well as in-house faculties. This is a very unique combination of faculties as this helps students to learn from industry experts and gain practical experience. NIA also helps students to develop leadership acumen, analytical skills. When students transition from campus to corporate, insurance knowledge along with leadership acumen and analytical skills helps them become subject matter experts and lead from front.

- **Animesh**, Senior Business Analyst, Sapiens

National Insurance Academy (NIA) set the foundation of my career in insurance. During my stint in the college, NIA provided opportunities for interaction with senior professionals from the insurance industry which helped me build my network and paved my way for the future. Over the years NIA has built a strong alumni network that has always helped to connect, share knowledge and leverage upon opportunities within and outside the industry.

- **Priyanka Gautama**, Chief Underwriting Officer, Market India

"NIA's focus on both academic excellence and personality development has been instrumental in my career growth. It empowered me with the right blend of strategic insurance business thinking and technical expertise, preparing me for the dynamic demands of consulting and technology transformation in the insurance sector. The rigorous curriculum, combined with real-world industry insights, played a pivotal role in shaping my professional skills and leadership abilities. For anyone aspiring to build a successful career in insurance company, InsurTech, Consulting, NIA offers unparalleled opportunities and is the ideal place to pursue an MBA."

- **Pallavi Panjarkar**, Project Lead (Manager), KPMG India.

"With the ever-widening scope and potential of the insurance sector, the National Insurance Academy acts as a career enabler. Being a reputed academic institution, it focuses on providing a perfect combination of competent faculty, a well-equipped campus, and a closely knit network. I found the environment at NIA to be positive and growth-oriented, which has been instrumental in my professional journey."

- **Akash Kheterpal**, Assistant Vice President, Energy and Power, Marsh Management Services (MENA) Limited.

"NIA has certainly given my career a head start vis-à-vis other institutes... Without the strong foundation of NIA, coupled with the goodwill of the institute, we would not be where we are in terms of our growth and position in the industry. If you want to make a career in (Re)Insurance, without a doubt, NIA is the place to start from."

- **Mohammed A. Noorani**, Senior Vice President, Gallagher Insurance Brokers Pvt. Ltd.

CORE COMMITTEES

<p>Admission Committee</p>	<p>The Admission Committee endeavours to captivate the pool of talent from across India. The committee plays a crucial role in shaping the student body by considering factors such as diversity, talent, and potential. The committee stands by the institute and assures that the process of completing the admission process is done smoothly. Prospective students stay connected with designate members to understand admission process and seek guidance.</p>
<p>Alumni Committee</p>	<p>The Institute takes pride in the success stories of their alumni. The Alumni Committee catalyses to maintain the relationship of the alumni with their Alma Mater. It makes sure that the current batch is readily connected with NIAs alumni to gain insights from their real time experiences in the corporate world.</p>
<p>Placement Committee</p>	<p>The Placement Committee is an integral part of the institute as it plays a crucial role in facilitating the recruitment process for students. The committee is comprised of dedicated placement officer, faculty and student members who liaise with companies, organize career workshops and seminars, and provides guidance and support to students in their placement process. Through their efforts, the committee helps bridge the gap between academics and the industry, ensuring students have opportunities to embark on successful careers.</p>
<p>Student Co-ordinators</p>	<p>Student Coordinators at NIA are essential to the PGDM community, serving as ex-officio members of various clubs and committees. They play an integral role in life at NIA right from Orientation Programme to Convocation and beyond that as Alumni representatives of the Batch. They manage academic activities by coordinating with faculty on course details, group projects, and guest lectures. Additionally, they handle extracurricular, professional, sports, and cultural events, ensuring smooth execution and high student engagement. As leaders, they inspire their peers, facilitate communication among students, faculty, and staff, and enhance the overall student experience.</p>
<p>Pravartak Committee</p>	<p>Pravartak is a student-driven publication committee. It is responsible for publishing 'Pravartak' - journal of National Insurance Academy, which is a biannual publication of NIA, Pune. It provides a platform to professionals, students and researchers by publishing newsletters, magazines, research work or other forms of content related to the insurance and management spectrum.</p>
<p>Cultural Committee</p>	<p>It is a perfect replica of India comprising of enthusiastic students representing diverse culture of the country. The committee's main objective is to foster a sense of inclusivity and cultural understanding among students, faculty and staff which is achieved by organising a wide range of activities and events throughout the academic year, including cultural festivals, music & dance performances, drama, speeches, talent hunt and much more.</p>

PROFESSIONAL GROWTH COMMITTEES

<p>Entrepreneurship Committee</p>	<p>Entrepreneurship committee plays a vital role in National Insurance Academy to foster the culture of innovation, creativity, and risk-taking among students. The committee offers students the opportunity to learn and develop essential entrepreneurial skills such as idea generation, market research, financial management, and pitching. It also provides access to resources and networks that can help turn ideas into successful ventures.</p>
<p>Professional Enhancement Committee</p>	<p>The professional enhancement committee is responsible for developing and implementing programs and initiatives that promote professional development among students. The committee members are actively involved in arranging professional enhancement workshops, networking events and seminars for students. The committee equips the students with the right mentorship and professional guidance as it believes that with the right direction students can excel in their careers.</p>

EVENT COMMITTEES

<p>HR Summit Committee</p>	<p>Student HR Committee members drive the Annual HR Summit conducted at NIA. The HR summit provides unique opportunities to engage with HR professionals and senior executives of Insurance industry to strengthen the collaborative efforts, to keep pace with technology transformation in the Insurance industry and its impact on people & businesses in the long term. HR Summit every year brings together various industry leaders who across Panel Discussions deliberate contemporary topics.</p>
<p>Insurance Summit Committee</p>	<p>The Insurance Summit Committee is a student-led committee responsible for organizing the annual flagship event, the Insurance Summit, Members of the committee are involved in various activities, such as developing themes, inviting speakers, coordinating, organizing, and marketing the event. Being a part of this Committee is a unique experience for students, as it provides an opportunity to interact with accomplished industry stalwarts, learn from their experiences, and gain insights into the contemporary dimensions of the insurance industry.</p>
<p>Manthan Committee</p>	<p>Manthan, the much-awaited annual festival of NIA, is a celebration of talent, creativity, and camaraderie which is organised by the Manthan Committee. Manthan offers a diverse range of competitions that cater to everyone's interests and passions, but what makes Manthan truly special is the joint effort of all the students. Students from diverse backgrounds and disciplines come together to display their skills and compete in various cultural and business events.</p>

STUDENT COMMITTEES

<p>Film Society</p>	<p>Nestled within the vibrant tapestry of NIA, lies a cornerstone of cultural enrichment and cinematic exploration: The Film Society. As an integral part of our college's fabric, the Film Society stands as a beacon of artistic expression and community engagement, enriching the academic journey of our students beyond textbooks and lectures.</p>
----------------------------	---

ADMINISTRATIVE COMMITTEES

<p>IT Committee</p>	<p>The IT committee is responsible for managing and maintaining the technology infrastructure and systems used by students. We ensure that college's IT systems are up-to-date, secure, and aligned with the institution's academic and administrative needs.</p>
<p>Library Committee</p>	<p>The library committee at NIA helps to provide access to various databases and learning resources. They help to conduct various webinars and guest lectures on how to leverage and utilize the available resources in our learnings and project works. They promote reading and learning culture among the students and are also responsible for managing the library resources and facilities to meet the needs of students and faculties thereby supporting the college's educational mission.</p>
<p>Student Welfare</p>	<p>The Student Welfare Committee is responsible for promoting the overall welfare of students. The committee is made up of faculty and student representatives who work together to identify and address issues that affect student well-being. The SWC is involved in a wide range of activities, including providing support and guidance to students. The primary goal of the Student Welfare Committee is to ensure that students have access to the resources and support they need to thrive academically, socially, and emotionally. By working to enhance the student experience, the SWC helps to create a vibrant and engaging learning community that benefits everyone involved. SWC also contributes to food preferences of hostel students and coordinates with hostel caterer for menu design.</p>

WELLNESS COMMITTEES

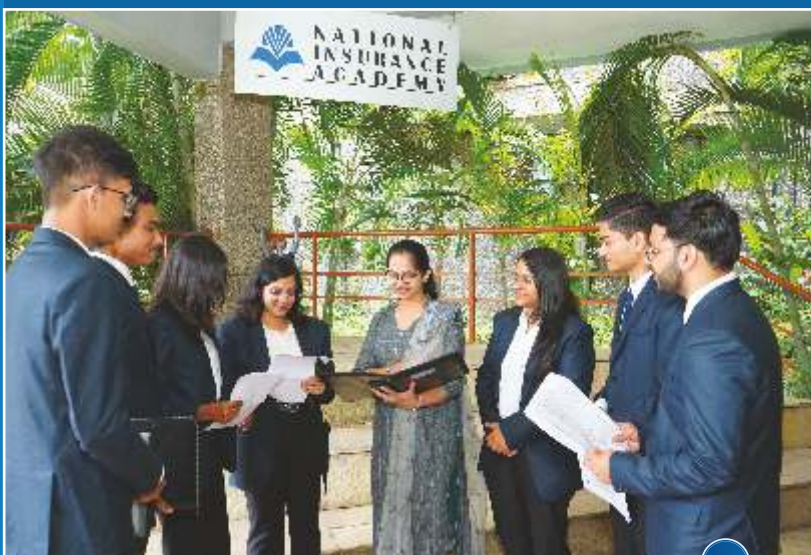

<p>Social Outreach Committee</p>	<p>The social outreach committee is a group of individuals who work together to promote insurance awareness and provide support to the needy. It often organizes events to interact and share insurance knowledge with people from the community and conduct surveys. Members of the committee are usually passionate about making a positive impact and are dedicated to help those who are less fortunate. Committee conducts literacy and insurance awareness programs in surrounding villages.</p>
<p>Sports Committee</p>	<p>The Sports committee organises the annual sports week "Eklavya" where students and staff members compete in various sporting tournaments to showcase their talent and sportsmanship.</p>

The entire placement activity is coordinated by the Placement Office, which is the main interface between the corporate world and the Academy. The Placement Office is headed by the Placement Chairperson who is assisted by the Placement Officer for coordinating various activities. Placement Office discharges its responsibilities under the guidance and supervision of Faculty Placement Committee and with the assistance of Student Placement Committee. The committee coordinates the Summer Internship & Campus recruitment programs. It approaches prospective employers, arranges Pre-Placement Talks, Group Discussions and Personal Interviews in the Campus and arranges all the required resources for successful execution of placement activities.

BUILDING CAMPUS PRESENCE

The recruitment process is said to be complete when both the student and the recruiter communicate, in order to know each other. NIA offers appropriate platform to the recruiters to put forward opportunities to apprise our student's corporate work profile and career opportunities.

CONFERENCE AND WORKSHOPS

Conferences, workshops, guest lectures, panel discussions and speaker series have proved to be an enriching experience for academic interactions between the students and recruiters. These programs have also helped the organizations to maintain contacts with the students round the year.

PRE-PLACEMENT TALKS

Pre - Placement Talks facilitate the recruiters to present their organization's vision and mission to our students. It therefore, gives the students a better chance to understand the organization, its objectives, people and culture which helps the students in forming correct first hand impressions that would enable them to take informed decisions.

These sessions and specific Pre-Placement Talks can be organized at mutual convenience through the Placement Office.
