REIMAGINING RISKS, REDEFINING FUTURE

Reimagining Risk, Redefining Future

The insurance industry today stands at the intersection of innovation and responsibility, shaped by digital transformation, new risk paradigms, and rising societal expectations. In this dynamic environment, the need of the hour is for professionals who can think beyond convention-who can reimagine risk and unlock opportunities for progress. At the National Insurance Academy, we prepare our students to meet this challenge with vision, adaptability, and purpose.

Our curriculum emphasizes critical thinking, problem-solving, and forward-looking perspectives, enabling our graduates to become architects of resilience in an uncertain world. By equipping them with comprehensive knowledge and practical insights, we empower them to contribute meaningfully to the industry and society at large. With this foundation, our students are ready not only to lead but also to redefine the future of insurance- driving growth, inclusion, and sustainability in an interconnected global landscape.

ABOUT NIA PUNE

National Insurance Academy was established in 1980 by the public sector insurance companies viz. Life Insurance Corporation of India, General Insurance Corporation of India, The New India Assurance Company, National Insurance Company, United India Insurance Company, and The Oriental Insurance Company under the aegis of Ministry of Finance - Government of India on 16th December 1980 in Mumbai to be the institute of excellence in learning and research in Insurance, Pension, and allied areas. The Academy shifted to Pune on 4th June 1990 after establishing state-of-the-art facilities for learning and research. National Insurance Academy (NIA) is an institution renowned for its rich cultural ambience and exceptional pedagogical approach.

At NIA, we pride ourselves on nurturing young minds to become future leaders, equipped with the necessary knowledge and skills to navigate the complex and dynamic world of Insurance. Our faculty, comprising renowned experts and thought leaders in the field, brings a wealth of experience and knowledge to the table and is committed to delivering top-notch education that blends theoretical concepts with practical applications.

We encourage our faculty and students to engage in research and innovation that challenges existing paradigms and drives progress. We also have in-house publications like Bima Quest and Pravartak that offer a platform for sharing the views and ideas of research/theory/concepts.

The two-year full-time Post Graduate Diploma in Management (PGDM) with a focus on Insurance & Risk Management is approved by AICTE and accredited by NBA and has MBA equivalence by the Association of Indian Universities (AIU).

As a renowned institution for insurance studies in India, NIA has established itself as a premier choice for those seeking a comprehensive education in this field. NIA is committed to shaping the future of the insurance industry by empowering individuals with the knowledge, skills, and mindset to lead with purpose and make a positive impact.

**Vision:**

“NIA to be a global institution of excellence in learning and research in insurance, pension, and allied areas.”

**Mission:**

- To build capacities in the management of Insurance, Pension, and allied sectors .
- To create a stream of young talent for the Insurance, Pension, and allied sectors.
- To provide strategic approaches in the Management of Insurance, Pension, and allied sectors.
- To undertake and create an ambience for policy research in Insurance, Pension, and allied sectors.
- To promote learning, education, and training in Insurance, Pension, and allied sectors.

**Programme Educational Objectives :**

- Develop practical implementation skills by emphasizing hands-on experiences and real-world applications of theoretical concepts.
- Cultivate essential industry competencies to prepare graduates for diverse roles by promoting critical thinking, problem solving, effective communication, and ethical decision making.
- Identify and select high-potential students focusing on insurance, pensions, and allied sectors, ensuring a talent pool aligned with industry needs while promoting career choices that reflect the institute's mission.
- Inculcate a culture of research and innovation by engaging students in policy research projects related to insurance and allied sectors, encouraging critical thinking and evidence-based decision-making.
- Enhance industry awareness by promoting a deep understanding of insurance and allied sectors through targeted educational and training programs for students and corporations.
- Encourage continuous learning and professional development to ensure that our graduates stay updated with industry trends and advancements.

DIRECTOR'S MESSAGE

Dear Recruiters,

It's my pleasure to connect with you! National Insurance Academy (NIA), with its 44 - year legacy, is nurturing talent and shaping the future of the Insurance industry. We are excited to invite you to be a part of our Summer Internship Program for the batch of 2025-27.

At NIA, learning is dynamic and collaborative, and our mission is to create skilled professionals with a strong foundation in insurance and management. While our coursework gives students a solid theoretical base, we know that true ability comes from hands-on experience. The summer internship being a critical step, we are inviting your support and collaboration in transforming them from being book-smart to having a real-world understanding of the industry's intricacies.

Your guidance and mentorship are invaluable in shaping our students. We highly value long-standing industry partners and are thrilled to welcome new organizations into the NIA family. We are looking forward to you providing our students with opportunities to contribute their fresh perspectives and skills towards mutual growth.

We truly appreciate your association with NIA. Let's make this a successful and fulfilling internship season.

With warm regards,

Mr. B. C. Patnaik
Director

PLACEMENT COORDINATOR'S MESSAGE

Dear Recruiters,

It is with great pleasure that I introduce to you the bright and driven PGDM Batch of 2025-27 from the National Insurance Academy (NIA), Pune. You are aware that NIA, established as a premier institution in the field of insurance, risk management, and allied financial services, has long been a confluence where industry practitioners and academia collaborate to shape future leaders.

The Post Graduate Diploma in Management (PGDM) at NIA is designed to nurture professionals with strong analytical, managerial, and leadership capabilities. Through a rigorous academic curriculum, practical exposure, and interaction with industry experts, students acquire a well-rounded understanding of both management principles and domain-specific applications.

An integral part of this learning journey is the two-month Summer Internship Program (SIP), which provides students with first-hand exposure to industry functioning. It bridges the gap between theoretical knowledge and practical application, allowing students to make meaningful contributions to their host organizations while gaining valuable professional insights.

We extend a warm welcome and invite you to interact with our students during the current Summer Internship Placement Season. Your mentorship and advice will not only contribute to charting their professional course but also help consolidate the industry- academia connect that NIA holds very close to its heart.

I am certain that the energy and talent of this batch will reflect well through their work and will align with your company's objectives. We look forward to this association.

With best regards,

Amit Misra

Chairperson - Placements

Chair Professor (General Insurance)

PRINCIPAL'S MESSAGE

Dear Recruiters

We are reaching out with immense gratitude for your ongoing support for NIA's PGDM program. As you know, our two-year PGDM curriculum offers students unparalleled opportunities for learning and growth, with a dynamic blend of theoretical knowledge and real-world industry experience. The exceptional guidance of our world-class faculty and the collaborative, innovative learning environment ensures that our students are well-prepared to thrive in the ever-evolving insurance sector.

This year, we are confident that our incoming batch of students will continue the legacy of excellence established by the previous cohort. With their problem-solving mindset, strong work ethic, and commitment to excellence, they are ready to make meaningful contributions. Their hands-on involvement in case studies, live projects, and industry competitions has equipped them with the practical skills required to meet the challenges of today's business landscape.

We truly value your participation in our Summer Internship Program and are excited for your partnership in shaping the next generation of industry leaders. Your involvement will provide our students with vital exposure to the corporate world, giving them the experience they need to become invaluable assets to your organization and the industry as a whole.

Thank you once again for your support. We look forward to your continued collaboration and to another successful internship season.

Best regards,

Dr. Komal Singh
Principal

WHY RECRUIT FROM US?

National Insurance Academy (NIA) - Where Talent Meets Opportunity

At NIA, we're passionate about nurturing the next generation of insurance leaders. We believe in bridging the gap between classroom learning and real-world experience. That's why we work closely with the insurance industry, ensuring our training, education, research, and consulting are rooted in practical, everyday challenges. Our students don't just learn theory; they learn how to apply it.

Our PGDM Program: Turning Knowledge into Action

Our PGDM program is designed to immerse students in the dynamic world of insurance and management. We bring real-world scenarios into the classroom, equipping our students with the tools and techniques to connect knowledge with practical solutions. We focus on developing a problem-solving mindset, preparing them to tackle the complexities of the industry in a global context. We empower them to make sound decisions and lead the way forward.

Beyond the Classroom: Building Well-Rounded Professionals

At NIA, we understand that true excellence extends beyond textbooks. We offer a vibrant array of extracurricular activities to hone our students' skills and prepare them for success. From competitions and research projects to in-depth case studies, we foster analytical and problem-solving abilities. We also host regular seminars and webinars featuring industry experts, thought leaders, and successful alumni. These events offer invaluable insights into the latest trends and best practices, keeping our students at the forefront of the insurance world.

In essence, NIA is more than just an academy. It's a launchpad for future leaders, a place where potential is realized and careers take flight.

WHY RECRUIT FROM US?

Participating in these activities equips our students with the skills, knowledge, and experience needed to thrive in a fast-paced and ever-changing work environment. They become invaluable assets to any organization, tackling challenges and making a meaningful impact in their chosen fields from day one.

Our course curriculum is continuously updated, keeping in mind the evolving nature of the insurance industry, and designed to provide students with optimal knowledge in the domain of insurance and management. It offers a perfect blend of Life Insurance, General Insurance, Reinsurance, and functional areas like Marketing, Financial Management, Strategic Management, and Human Resource Management. This strengthens students' capabilities in these core sectors and builds their competency in dealing with challenges.

The faculty members at NIA are the true champions behind the institution's reputation for excellence. With their exceptional expertise and unparalleled experience, they are the driving force behind the continuous improvement of the domain and managerial skills of our students.

National Insurance Academy boasts of creating a wealth of talented individuals ready to contribute their expertise and knowledge to the workforce. We invite recruiters to tap into the vast potential of our human resource capital and benefit from the synergies that arise from diverse and highly skilled personnel. This will undoubtedly be a mutually enhancing experience for us, and we look forward to a progressive association with you.

FACULTY

The management subjects are taught by highly qualified, experienced faculty with most of them having a Ph.D. in the relevant discipline. The General Insurance subjects like Fire, Marine, Engineering, Aviation, Motor, Health, Reinsurance, Life Insurance subjects including some portion of Actuarial Science, Pension are taught by faculty who hold senior positions in the public sector insurance companies and are on deputation to NIA.

SOCIAL OUTREACH PROGRAM

Insurance Awareness Rally

Date: 16 December 2024

Organised by: Social Outreach Committee, National Insurance Academy

On the Foundation Day of the National Insurance Academy, students led a high-energy Insurance Awareness Rally to promote the importance of insurance in everyday life. The stretch between Gate No. 1 and Gate No. 2 came alive with slogans, posters, and meaningful conversations with the public.

The rally was not just a celebration but a demonstration of communication skills, initiative, and teamwork. Students engaged directly with passersby, raising awareness about financial security in a way that was accessible and impactful. It highlighted the Academy's commitment to creating professionals who are socially aware and ready to lead change beyond classrooms.

Suraksha Chakra – Sunahari Shubhodhay

Date: 11 to 16 March 2025

In collaboration with: Christ University, Bangalore, and Montfort Senior Secondary School, Konbir.

Suraksha Chakra was more than a field project. It was a six-day immersive experience across seven villages in Jharkhand, where ten students from NIA and Christ University, supported by local ASHA workers, surveyed 955 households to understand the ground reality of financial inclusion.

Under tough weather and challenging conditions, students identified 1,804 uninsured individuals, collected 1,415 consent forms, and flagged 265 residents who lacked basic banking access. The data was submitted to the Block Development Officer of Basia, who acknowledged the depth of work, saying it surpassed typical administrative reports.

The experience combined rural outreach, primary data collection, and real-time outreach. It tested and strengthened our ability to lead, listen, and adapt. Beyond the numbers, it built empathy, purpose, and a deep understanding of how financial literacy can change lives.

This initiative was not just an academic exercise. It was proof that our students are ready to work in complex, real-world environments with professionalism, compassion, and clarity of mission.

PGDM PROGRAMME

The two-year full-time Post Graduate Diploma in Management (PGDM) with a specialization in Insurance & Management is approved by AICTE, accredited by NBA, and holds MBA equivalence by AIU. The program blends technical competence in insurance with a strong foundation in management principles and real-world applications. It aims to develop a creative problem-solving approach to meet the evolving needs of today's business environment.

Selection Process

The selection process begins with shortlisting candidates based on their scores in CAT (Common Admission Test), XAT, or CMAT (Common Management Admission Test). Shortlisted candidates then go through group discussions and personal interviews. To qualify for the Diploma, students must complete six trimesters of academic work, along with an eight-week Summer Internship Program, a Major Research Project, a Value Addition Project, and participation in various workshops.

Faculty

NIA's multi-disciplinary faculty consists of academicians and industry professionals. The visiting faculty includes individuals in key industry positions, providing students with real-world insights. Academic excellence is maintained through innovative teaching methods, including interactive discussions, panel discussions, and guest lectures.

Culture

As a national institute, NIA fosters a diverse and innovative culture. The institute paves its own path rather than following conventional norms, aspiring to be a benchmark in the insurance and management sector. With a commitment to holistic development, NIA promotes the ideology of "together we grow" in an environment that combines the essence of a traditional Gurukul with modern amenities.

Added Course Benefit

NIA students who meet the prescribed requirements are eligible for course-wise exemptions from the Insurance Institute of India papers, allowing them to claim up to 220 credit points. This fast-tracks their journey toward becoming Associates and Fellows of the Insurance Institute of India.

Summer Internship Programme (SIP)

Each student is required to complete an eight-week Summer Internship in a reputed company across different industry verticals. This first-hand industry experience enhances practical learning by bridging the gap between theoretical knowledge and real-world applications. The SIP also plays a crucial role in preparing students for final placements.

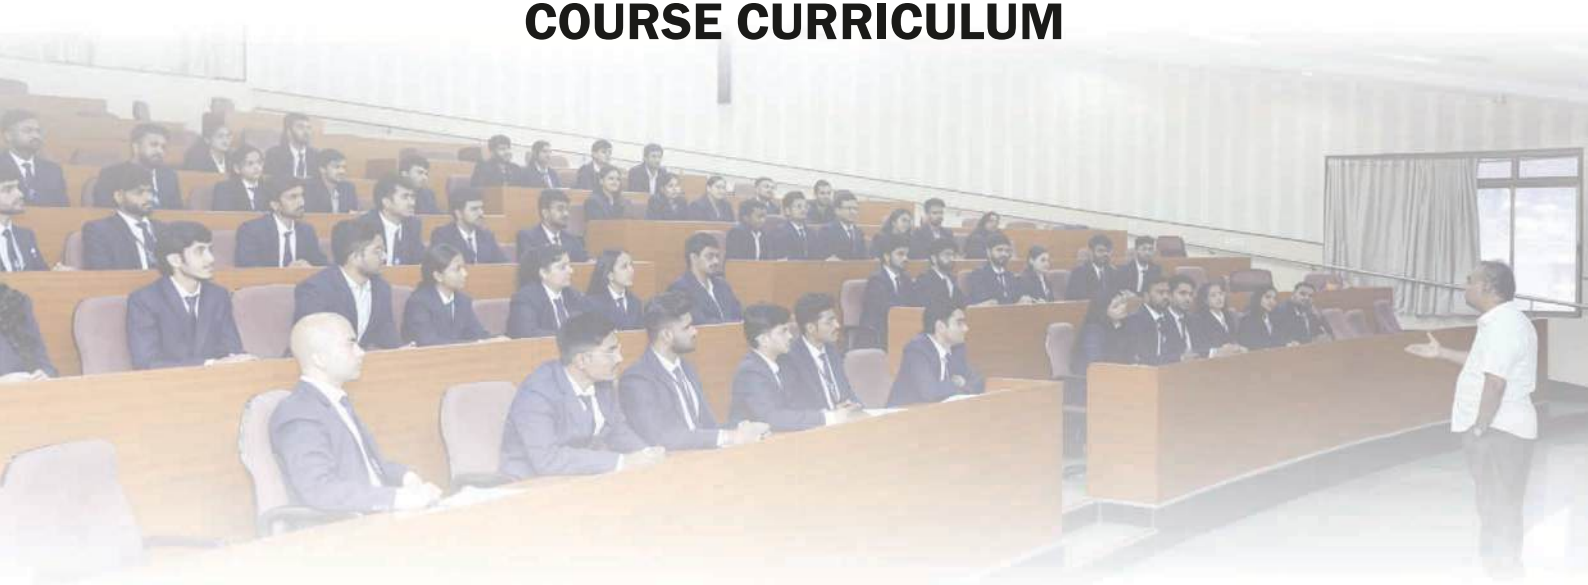

Major Research Project (MRP)

To cultivate research skills and encourage knowledge generation, students must undertake a Major Research Project (MRP) in the sixth trimester. The project focuses on insurance, management, or allied disciplines, culminating in a detailed research report.

Value Addition Project (VAP)

Businesses today seek professionals who can adapt to rapid industry changes and provide innovative solutions. The Value Addition Project (VAP) is designed to enhance problem-solving skills by requiring students to identify a strategically important industry issue and propose practical recommendations to address it.

COURSE CURRICULUM

Trimester 1

- Fundamentals of Life Insurance & General Insurance
- Laws & Regulations Governing Insurance
- Fire Insurance
- Fundamentals of Services Marketing
- Interpersonal & Group Processes
- Quantitative Techniques
- Financial Accounting & Reporting

ALUMNI CORNER

MR. MOHAMMAD DANISH EQBAL (CEO, Liberty Insurance, Uganda)

"During my time at the National Insurance Academy, I was immersed in a transformative education that laid the groundwork for my career in insurance. The specialized curriculum, expert faculty, and hands-on learning experiences equipped me with the skills and knowledge to navigate this dynamic industry. NIA's blend of theoretical principles and practical applications built my confidence to address real-world challenges.

Today, as the CEO, I credit much of my success to the strong foundation NIA provided. The academy not only shaped my professional journey but also instilled a commitment to excellence and innovation. I am proud to be an alumnus and encourage prospective students to seize the opportunities NIA offers."

MS. KRITI SRIVASTAVA (Assistant Vice President (LowCode-AWM) @ JPMorgan Chase)

"My MBA journey at the National Insurance Academy (NIA), Pune, was truly transformative and one of the most rewarding experiences of my life. Under the expert mentorship of inspiring faculties, I developed a solid understanding of the insurance world and learned to approach challenges with confidence and curiosity.

Beyond academics, being part of the Admissions Committee gave me the chance to network, engage with diverse perspectives, and forge lasting connections with peers and industry professionals.

Looking back, NIA was more than just a business school, it was a vibrant ecosystem that nurtured both my professional and personal growth. The lessons I learned and the bonds I formed continue to guide me on my journey today."

MR. MOHAMMAD SARFARAZ ALI SHAH

(VP & Head Marine and engineering underwriting, Liberty General Insurance)

NIA is not just a learning institution; it provides the edge required to carve a successful and impactful future. Being part of the placement committee was a transformative experience for me, as it enhanced my soft skills and prepared me for the corporate world. The faculty is exceptional, and we were ahead of the learning curve at a time when many institutes were just beginning to offer insurance as a specialty. The alumni network is robust, and it gives me great pride to see NIA graduates leading companies both nationally and globally.

MR. AVISHEK B RATH, (Head: Govt. Business Group, Marsh India)

Reflecting on my time at the National Insurance Academy (NIA) from 2005 to 2007, this period was instrumental in shaping my perspective on the insurance industry. I developed a solid grasp of insurance principles, risk management, and underwriting practices, enabling real-world application and strategic decision-making. NIA provided insights into emerging trends and regulatory challenges, aiding market adaptation and informed client recommendations. Meaningful relationships with peers, faculty, and professionals enriched my network.

Practical learning through visits, case studies, and faculty interaction enhanced problem-solving skills. A strong sense of ethics and professionalism was instilled. Emphasis on adaptability and lifelong learning prepared me for a dynamic industry. NIA laid a strong foundation for meaningful contribution and future growth in insurance.

MS. PALLAVI PANJARKAR, (Project Lead (Manager), KPMG India)

NIA's focus on both academic excellence and personality development has been instrumental in my career growth. It empowered me with the right blend of strategic insurance business thinking and technical expertise, preparing me for the dynamic demands of consulting and technology transformation in the insurance sector. The rigorous curriculum, combined with real-world industry insights, played a pivotal role in shaping my professional skills and leadership abilities. For anyone aspiring to build a successful career in an insurance company, InsurTech, or Consulting, NIA offers unparalleled opportunities and is the ideal place to pursue an MBA.

CORPORATE SEMINARS

TATVA HR SUMMIT 2025

National Insurance Academy hosted its annual TATVA HR Summit 2025, themed “Decode Disrupt Deliver: Reinventing HR for Insurance 5.0”. The summit focused on how insurance industry 5.0 is set to transform the necessary skill set, organisational culture, and design. The event offered a fresh perspective on managing human capital amid disruption, workforce fragmentation, generational shifts, and hybrid work realities.

In today’s era of AI-driven workplaces, gig-based employment, and increasing digital interfaces, the HR function is undergoing a radical transformation. From reimagining leadership pipelines and redefining productivity to dealing with talent burnout, reskilling urgency, and retention challenges, the insurance sector stands at a pivotal juncture.

The event commenced with a welcome address by our honourable director Mr. B.C. Patnaik followed by a keynote address by Mr. Sanjiv Mantri, MD and CEO ICICI Lombard General Insurance Company.

The summit included four panel discussions:

Panel 1: Decode: Rebranding the Insurance landscape

Moderator: Mr G Srinivasan, MD, CEO and Key Management Person, Galaxy Health Insurance

Panelists:

Ms. Kiran Yadav, CPO, Canara HSBC Life Insurance

Ms. Sudakshina Bhattacharya, President & CHRO, HDFC ERGO General Insurance

Ms. Uma Gogineni, President – Technology Solution Centres & CPO, ValueMomentum

Mr. Vamseedhar Soma, Head – HR, Mahindra Insurance

Brokers

Mr. Vikramjeet Singh, Sr. President & CHRO, Bajaj Allianz General Insurance

Panel 2: Disrupt: Navigating The Digital-First Insurance Workplace

Moderator: Dr Rajesh Save, Co-Founder, Impeccker Consulting LLP

Panelists:

Mr Bhupesh Sawantdesai, CHRO, GreenLine Mobility Solutions

Mr Daljit Chauhan, Leader, Customer Success for Insurance, LTIMindtree

Mr Subhashish Banerji, Chief- Human Resources, ICICI Prudential Life Insurance Co. Ltd.

20th Insurance Summit 2024: Industry 5.0 - Digital Innovation in Insurance

Theme: “Unveiling the Future – Industry 5.0: Digital Innovation in Insurance”

The National Insurance Academy hosted its flagship 20th Insurance Summit on October 3, 2024, at Taj Lands End, Mumbai. The theme focused on the transformative impact of Industry 5.0 and digital innovation in the insurance sector.

The inaugural session featured Mr. Satyajit Tripathi, Member (Distribution), IRDAI, as Chief Guest, along with Mr. Siddhartha Mohanty, CEO & MD, LIC of India. NIA's Joint Charge Directors, Mr. Renjit Gangadharan and Mr. V. Balagopal, also addressed the gathering.

The Summit included two panel discussions and a presentation round:

Panel 1: “Embracing New Age Technologies: Envisaging Industry 5.0”

Moderator: Mr. Amit Roy, Partner & Leader – Insurance, PwC India

Panelists:

- Mr. T. Babu Paul, Executive Director, National Insurance Co. Ltd.
- Mr. Debashish Banerjee, Partner – Insurance Leader, Deloitte India
- Mr. Rajiv Gupta, President, PB Fintech (Policybazaar & Paisabazaar)

- Mr. Neeraj Malhotra, CEO, AccelTree Software

Presentation Round: “Insuring the Digital Core: Risk Mitigation Strategies”

Moderator: Dr. Steward Doss, Professor, NIA

Presenters:

- Mr. Vinay Kumar Sankarapu (Arya.ai) – Collaborative AI in Insurance
- Mr. Subhobroto Ghosh (Allstate) – Data Analytics in General Insurance
- Mr. Sumit Ramani (ProtectMeWell.com) – Innovation in Life & Health Insurance
- Mr. Pankaj Kumar (Value Momentum) – Emerging Tech in General Insurance
- Mr. K. Murlidhar (LIC) – Digital Marketing in the Insurance Value Chain

Panel 2: “Data Protection, Privacy and Insurance: Enhancing Cybersecurity”

Moderator: Mr. Swayamjit Mishra, MD & Partner, BCG
Panelists:

- Dr. Pavan Duggal, Founder, Pavan Duggal Associates
- Mr. Naavi Vijayashankar, Chairman, FDPPI
- Mr. Suresh Balakrishnan, Principal Consultant, Xsentinel
- Mr. Priyesh Pradhan, Sr. Underwriter, Markel Services India

Over 400 participants attended, including CEOs, senior executives, and professionals from across the insurance industry and media. The summit provided valuable insights and learning opportunities for all, including PGDM students.

The event was successfully coordinated by Mr. Steward Doss, Ms. Gayathri Iyer, Mr. Sandeep Pande, and Dr. Shruti Nagar, along with PGDM students of NIA.

26th C.D. Deshmukh Memorial Seminar 2025: Re-engineering Insurance Skills & Knowledge (R.I.S.K.)

Theme: “Re-engineering Insurance Skills & Knowledge (R.I.S.K.)”

Date: 21st January 2025 | Venue: National Insurance Academy, Pune

The National Insurance Academy hosted the 26th Annual C.D. Deshmukh Memorial Seminar on January 21, 2025, at its Pune campus. The seminar, themed “Re-engineering Insurance Skills & Knowledge (R.I.S.K.)”, focused on upskilling and innovation in the insurance domain.

Mr. B.C. Patnaik, Director, NIA, welcomed dignitaries, speakers, and participants, paying tribute to Sir C.D. Deshmukh's visionary role in shaping the insurance sector. He reaffirmed NIA's commitment to driving innovation and excellence through training and leadership.

Mr. Nilesh Sathe, Ex-Member (Life), IRDAI, in his special address, spoke about the sector's reforms, including increased FDI, composite licenses, and liberalized investment norms. He also highlighted LIC's transformative contributions.

The keynote address was delivered by Mr. Siddhartha Mohanty, CEO & MD, LIC of India. He stressed the importance of adapting to digitalization, AI, and blockchain, and called for innovation and collaboration to achieve “Insurance for All by 2047”. Mr. V. Balagopal, Chair Professor (Life), NIA, delivered the vote of thanks.

Panel Discussions

Panel 1: Insurers' Risk–Return Optimisation

Moderator: Mr. Amit Roy, Sr. Partner, PwC

Panelists:

- Mr. Kunj Behari Maheshwari, Actuarial Consultant, Willis Towers Watson

- Mr. Dinesh Pant, Appointed Actuary, LIC of India
- Mr. Farid Valani, CRO & EVP (Risk & Reporting), Bajaj Life
- Mr. Rajiv Kumar Gupta, President, PB Fintech

Panel 2: Group Insurance as a Catalyst for Insurance Penetration

Moderator: Mr. Nilesh Sathe, Ex-Member (Life), IRDAI

Panelists:

- Mr. R. Doraiswamy, MD, LIC of India
- Mr. Mayur Ankolekar, Consulting Actuary, Ankolekar & Co.
- Mr. Subhendu Kumar Bal, CRO & Chief Actuary, SBI Life
- Ms. Preeti Chandrasekhar, President, Institute of Actuaries of India

Panel 3: Digital Innovation for Optimum Customer Engagement

Moderator: Mr. Debashish Banerjee, Partner, Deloitte India

Panelists:

- Mr. Pradeep Pandey, Chief Digital Officer, LIC of India
- Mr. Sumit Ramani, CEO & Co-founder, ProtectMeWell
- Mr. Prasad Krishnamorthy, Head of Insurtech Solutions, Perfios

The event concluded with a vote of thanks from Mr. Sandeep Moghe, the seminar coordinator, acknowledging the contributions of all dignitaries, speakers, guests, and the NIA community. The seminar proved to be an enriching experience for students and professionals alike.

MBA Admission: 'PGDM at National Insurance Academy is industry focused; expansion plans in offing'

The National Insurance Academy's PGDM course is more industry-oriented than general MBA, has seen 100% placement ever since it was launched in 2004, says its principal.

NIA Principal, Dr. Jayaram, says that the institute will continue to expand its offerings in the future. (A. Srinivasan/ANI)

ANI New Delhi 1 November 2024 8:43 PM IST

NEW DELHI: The National Insurance Academy (NIA), now situated in Pune, was established jointly by the Ministry of Finance and an Anglo-major public sector underpinning (PSUs) in insurance. Originally a training institute for insurance industry professionals, it has been offering a postgraduate diploma in management (PGDM) since 2004 and has placed 100% of its students till today.

The Journey of Success of the National Insurance Academy (NIA), Pune

Mediaset / Feb 16, 2021, 16:35 IST

With a vision to become a global institution of excellence in learning and research in Insurance, Pension and allied areas, National Insurance Academy (NIA) was jointly established by the Govt. of India along with the Public sector Insurance companies on 16th December 1980. In the initial years, National Insurance Academy was providing Management Development programs to the executives from the public sector Insurance companies. But slowly and steadily they became a centre of Insurance, Pension and allied sectors education for the South Asian, South West Asia and African countries too. To nurture young talent and create a stream of young talent for the Insurance, Pension and allied sectors, National Insurance Academy started a Post Graduate Diploma Management Program, where Insurance domain knowledge is provided along with other core management subjects. National Insurance Academy has a Research Centre as well as a Ph.D. Centre, to undertake and create an ambience for research in the field of Insurance, Pension and allied sectors. It continues to be the endowment of NIA to focus on innovative learning, insurance-specific research and work closely with insurance sector both globally and in India. During the year 2019-20, NIA successfully conducted 267 Management Development Programmes (MDP) where 7950 executives from public and private sector organizations including 73 overseas

Liberty General Insurance has partnered with the National Insurance Academy (NIA), an institution in the field of insurance education, learning and research to design an industry first and innovative certification course on Electric Vehicles (EVs) for Liberty's Claims Team.

STUDENT COMMITTEES

CORE COMMITTEES

Admission Committee	The Admission Committee endeavours to captivate the pool of talent from across India. The committee plays a crucial role in shaping the student body by considering factors such as diversity, talent, and potential. The committee stands by the institute and assures that the process of completing the admission process is done smoothly. Prospective students stay connected with designated members to understand the admission process and seek guidance.
Alumni Committee	The Institute takes pride in the success stories of its alumni. The Alumni Committee catalyzes to maintain the relationship of the alumni with their Alma Mater. It makes sure that the current batch is readily connected with NIAs alumni to gain insights from their real-time experiences in the corporate world.
Placement Committee	The Placement Committee is an integral part of the institute as it plays a crucial role in facilitating the recruitment process for students. The committee is comprised of dedicated placement officer, faculty and student members who liaise with companies, organize career workshops and seminars, and provide guidance and support to students in their placement process. Through their efforts, the committee helps bridge the gap between academics and the industry, ensuring students have opportunities to embark on successful careers.
Student Co-ordinators	Student Coordinators at NIA are essential to the PGDM community, serving as ex-officio members of various clubs and committees. They play an integral role in life at NIA, right from the Orientation Programme to Convocation and beyond that as Alumni representatives of the Batch. They manage academic activities by coordinating with faculty on course details, group projects, and guest lectures. Additionally, they handle extracurricular, professional, sports, and cultural events, ensuring smooth execution and high student engagement. As leaders, they inspire their peers, facilitate communication among students, faculty, and staff, and enhance the overall student experience.
Pravartak Committee	Pravartak is a student-driven publication committee. It is responsible for publishing 'Pravartak'- National Insurance Academy's journal, a biannual publication of NIA, Pune. It provides a platform to professionals, students and researchers by publishing newsletters, magazines, research work, or other forms of content related to the insurance and management spectrum.
Cultural Committee	It is a perfect replica of India, comprising enthusiastic students representing the country's diverse culture. The committee's main objective is to foster a sense of inclusivity and cultural understanding among students, faculty and staff, which is achieved by organising a wide range of activities and events throughout the academic year, including cultural festivals, music & dance performances, drama, speeches, talent hunt and much more.

Industry Interface Committee

The Industry Interface Committee bridges the gap between classroom learning and industry realities. By curating guest lectures, panel discussions, and workshops with leading professionals and alumni, we ensure students gain exposure to evolving trends, new technologies, and best business practices. We believe that true education thrives outside textbooks-when students connect directly with industry leaders, explore real challenges, and cultivate ambition and adaptability. Our mission is to empower students with mentorship, networking, and insights to become well-rounded, industry-ready professionals prepared to excel in a dynamic world.

PROFESSIONAL GROWTH COMMITTEES

Entrepreneurship Committee

The Entrepreneurship Committee plays a vital role in the National Insurance Academy to foster the culture of innovation, creativity, and risk-taking among students. The committee offers students the opportunity to learn and develop essential entrepreneurial skills such as idea generation, market research, financial management, and pitching. It also provides access to resources and networks that can help turn ideas into successful ventures.

Professional Enhancement Committee

The professional enhancement committee is responsible for developing and implementing programs and initiatives that promote professional development among students. The committee members are actively involved in arranging professional enhancement workshops, networking events, and seminars for students. The committee equips the students with the right mentorship and professional guidance as it believes that with the right direction, students can excel in their careers.

EVENT COMMITTEES

HR Summit Committee

Student HR Committee members play a key role in organizing the Annual HR Summit at NIA. This summit offers a valuable platform for engaging with HR professionals and senior executives from the insurance industry. It aims to foster collaboration, explore the impact of technological transformation on people and businesses, and address long-term strategic challenges. Each year, the HR Summit brings together prominent industry leaders who participate in thought-provoking panel discussions and share insights on contemporary HR and industry trends.

Insurance Summit Committee

The Insurance Summit Committee is a student-led committee responsible for organizing the annual flagship event, the Insurance Summit. Members of the committee are involved in various activities, such as developing themes, inviting speakers, coordinating, organizing, and marketing the event. Being a part of this Committee is a unique experience for students, as it provides an opportunity to interact with accomplished industry stalwarts, learn from their experiences, and gain insights into the contemporary dimensions of the insurance industry.

Manthan Committee

Manthan, the much-awaited annual festival of NIA, is a celebration of talent, creativity, and camaraderie which is organised by the Manthan Committee. Manthan offers a diverse range of competitions that cater to everyone's interests and passions, but what makes Manthan truly special is the joint effort of all the students. Students from diverse backgrounds and disciplines come together to display their skills and compete in various cultural and business events.

ADMINISTRATIVE COMMITTEES

IT Committee	The IT committee is responsible for managing and maintaining the technology Infrastructure and systems used by students. We ensure that the college's IT systems are up-to-date, secure, and aligned with the institution's academic and administrative needs.
Library Committee	The library committee at NIA helps to provide access to various databases and learning resources. They help to conduct various webinars and guest lectures on how to leverage and utilize the available resources in our learning and project work. They promote a reading and learning culture among the students and are also responsible for managing the library resources and facilities to meet the needs of students and faculty, thereby supporting the college's educational mission.
Student Welfare	The Student Welfare Committee is responsible for promoting the overall welfare of students. The committee is made up of faculty and student representatives who work together to identify and address issues that affect student well-being. The SWC is involved in a wide range of activities, including providing support and guidance to students. The primary goal of the Student Welfare Committee is to ensure that students have access to the resources and support they need to thrive academically, socially, and emotionally. By working to enhance the student experience, the SWC helps to create a vibrant and engaging learning community that benefits everyone involved. SWC also contributes to the food preferences of hostel students and coordinates with the hostel caterer for menu design.

WELLNESS COMMITTEES

Social Outreach Committee	The social outreach committee is a group of individuals who work together to promote insurance awareness and provide support to the needy. It often organizes events to interact and share insurance knowledge with people from the community and conduct surveys. Members of the committee are usually passionate about making a positive impact and are dedicated to helping those who are less fortunate. The committee conducts literacy and insurance awareness programs in the surrounding villages.
Sports Committee	The Sports Committee organises the annual sports week "Eklavya" where students and staff members compete in various sporting tournaments to showcase their talent and sportsmanship.

STUDENT ACHIEVEMENT

NIA Pune takes pride in the stellar achievements of its students across a spectrum of national-level competitions, reflecting their academic rigor, creativity, and problem-solving acumen.

Academic Zone:

- 8 state-of-the-art classrooms
- 1 - IT Park
- 8 syndicate rooms
- 24 dedicated faculty offices
- A well-equipped library and computer center
- A multi-purpose hall and a spacious auditorium

Residential & Recreational Amenities:

- 5 hostels accommodating 157 MDP participants and 163 PGDM students
- Hostel rooms with PCs, internet, intercom, D2H TV connections (MDP)
- LAN-enabled rooms for PGDM students
- Gymnasium, swimming pool, badminton court, meditation hall
- Dining hall, kitchen, cafeteria, and reception area
- A residential complex with 64 housing units for faculty and staff

IT Infrastructure

The Academy is equipped with a robust, secure, and future-ready IT infrastructure:

- Over 350 computers connected via a campus-wide LAN
- 7 servers, firewalls (Sophos), and antivirus (Seqrite) ensure network security
- High-speed Wi-Fi across the campus and hostels with 2000 Mbps bandwidth
- Dedicated LAN access for both PGDM students and MDP participants in hostel rooms
- Two computer labs: IT Park (45 PCs) and Drucker IT Park (31 PCs)
- All faculty and staff provided with HP laptops/desktops (Intel i5/i7, Windows 8.1/10/11, Office 365)
- Access to high-speed network printers and reprography services
- Video conferencing facilities (Microsoft Teams-enabled hybrid mode)
- An internal intranet system for information sharing among faculty, staff, and students

Library

Home to one of India's premier insurance-focused libraries, the Academy's library serves as an invaluable resource for PGDM students, MDP participants, and professionals from the insurance industry.

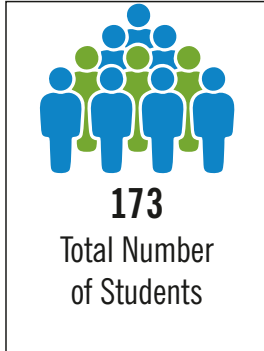

- Extensive collections in Insurance, Actuarial Science, Management, Finance, Economics, Law, and IT
- Additional resources on Literature, History, and Personality Development
- Research publications and journals curated to support academic and professional growth
- Designed to support both reference and research needs with a comfortable and tech-enabled reading environment.

Batch 2025-27

SUMMER PLACEMENT HIGHLIGHTS: BATCH 2024–26

National Insurance Academy, Pune, successfully concluded its summer placement process for the Batch of 2024–26, achieving 100% placements across key domains in the insurance and allied sectors. This reflects the industry's continued confidence in the Academy's talent and training.

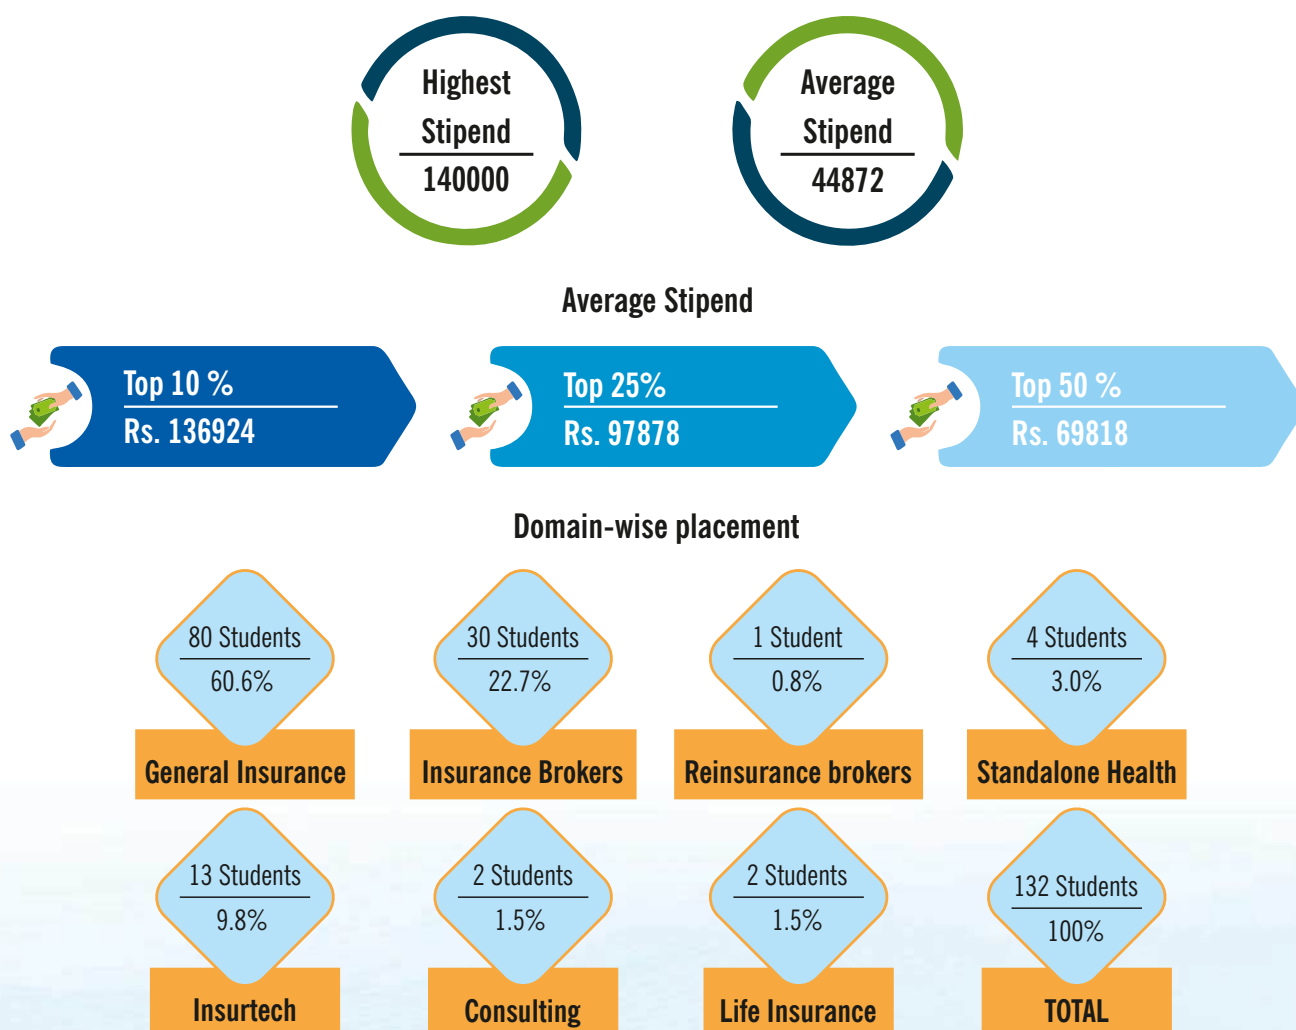

The average stipend rose by 4%, reaching Rs. 44,872 for two months, with the highest at Rs. 1,40,000. The top 10% secured an average of Rs. 1,36,924, while the top 25% and 50% earned Rs. 97,878 and Rs. 69,818, respectively.

General Insurance led the domain-wise placements, followed by Broking, Insurtech, Reinsurance, Consulting, and Life Insurance—highlighting the breadth of industry engagement.

The 132-member batch came from diverse academic backgrounds such as Commerce, Engineering, Management, and Science, with an average age of 22.8 years and 15.4 months of prior work experience across sectors like IT, Financial Services, Manufacturing, Edtech, and more.

Prominent recruiters in this placement cycle included Marsh India, HDFC ERGO, Mahindra Insurance Brokers, SBI General, Tata AIG, Bajaj Allianz General Insurance, AON, ValueMomentum, among several others, many of whom have been long-standing partners of the institution.

We sincerely thank all our recruiting partners for their continued support and trust. The outcomes of this placement season are a testament to NIA's commitment to producing future-ready professionals equipped to lead and transform the insurance ecosystem.

Student Profile

Aastha Kori

Qualification : B.Sc. CS

Date of Birth : 24-03-2002

Career Objective : To use my technical and managerial skills, gained as a BSc Computer Science graduate and current PGDM (Insurance and Risk management) student, to build a strong foundation for my career in the insurance sector.

Abhaya Sanyal

Qualification : BBA Banking and Finance

Date of Birth : 06-01-2003

Career Objective : To build a purpose-driven career in insurance, where I can apply my analytical skills and cross-functional experience for impactful decision-making.

Abhiraj Prabhakar Gaikwad

Qualification : B.Sc (Hons.) Agriculture

Date of Birth : 24-09-2001

Career Objective : To pursue a dynamic career in the insurance and financial domain where I can apply my analytical, technical, and decision-making skills to contribute to effective risk management and strategic growth. I aim to integrate academic knowledge with practical experience to become a valuable asset to the organization.

Abhishek Akshat

Qualification : B.Tech Information Technology

Date of Birth : 20-10-1999

Career Objective : I aspire to build a career in risk management within the insurance sector, where I can apply my foundational understanding of insurance principles and their practical nuances to develop effective, forward-looking risk solutions.

Student Profile

Abhishek Kumar Sah

Qualification : B.Tech Electrical Engineering

Date of Birth : 25-08-2000

Career Objective : To build a dynamic career in the insurance and risk management industry by leveraging my academic background in PGDM (Insurance and Risk Management), technical skills, and business development experience. I aim to contribute to data-driven decision-making, effective risk mitigation strategies, and innovative insurance solutions that enhance operational resilience and customer value.

Abhishek Omar

Qualification : BBA General

Date of Birth : 21-01-2003

Career Objective : With experience in product management and a passion for actuarial science, I am driven to create the next generation of insurance products. I aim to apply my skills in understanding customer needs and data-driven decision-making to build innovative InsurTech solutions that cover the entire lifecycle, from product conception and risk analysis to a seamless customer experience.

Adarsh Shukla

Qualification : BBA Banking and Finance

Date of Birth : 13-08-2003

Career Objective : To contribute to the insurance, risk and financial services domain with a blend of analytical skills and creative thinking, shaped by my academic journey and personal passion for music, while continuously learning and adding value.

Adarsh Singh

Qualification : B.Sc. (Hons.) Mathematics

Date of Birth : 02-01-2001

Career Objective : Leveraging my strong analytical foundation in Mathematics (Hons.) and specialized MBA training in insurance from NIA Pune, I aim to build a career in risk management and consulting within the insurance sector. My goal is to apply quantitative modeling, data-driven risk assessment, and strategic problem-solving skills to help organizations mitigate risks, optimize underwriting processes, and enhance decision-making.

Student Profile

Aditi Solanki

Qualification : B.Com Commerce

Date of Birth : 27-05-2001

Career Objective : Seeking a challenging role that utilizes my business acumen and expertise to manage risk in dynamic insurance environment.

Aditya Shivhare

Qualification : B.Tech Automobile Engineering

Date of Birth : 05-11-1999

Career Objective : Driven to contribute to the insurance landscape, I aim to leverage my PGDM and advanced analytics to unearth critical data insights, fueling strategic innovation and measurable business growth. My goal is to optimize operations and enhance decision-making through robust data-driven strategies.

Aditya Shukla

Qualification : B.Tech Computer Science

Date of Birth : 04-06-2002

Career Objective : I want to contribute to insurance by developing new insure-tech and data driven products. My long term goal is to make insurance reach to even the most remote places in India through my knowledge of technology.

Professional Qualification : Licentiate (III)

Akshat Jitendra Khurana

Qualification : B.E. Information Technology

Date of Birth : 04-04-2001

Career Objective : To pursue a dynamic career that combines my IT technical expertise with the insurance domain, focusing on digital innovation, fraud detection, and data-driven solutions to enhance operational efficiency, risk mitigation, and customer trust.

Student Profile

Akshat Tripathi

Qualification : BBA General

Date of Birth : 16-03-2000

Career Objective : To apply my academic knowledge in Insurance and Risk Management while actively seeking opportunities to grow and develop within a dynamic organization. I aim to contribute to effective risk assessment and innovative insurance solutions, leveraging my adaptability and eagerness to learn to drive organizational success and build expertise in managing financial uncertainties.

Professional Qualification : Licentiate (III)

Alfin Antony

Qualification : B.Tech Civil Engineering

Date of Birth : 08-12-1999

Career Objective : To secure a challenging position in the insurance industry, where I can apply my analytical and problem-solving skills, contribute to strategic decision-making, and grow into a leadership role while adding long-term value to the organization.

Amrutha Ratheesh

Qualification : B.Sc Mathematics

Date of Birth : 20-09-2002

Career Objective : To gain substantial knowledge and expertise in the insurance and risk management domain to contribute to the success of the organization, the global BFSI ecosystem and eventually hold a reputed executive role.

Ananya Mayuri Sinha

Qualification : B.A. English literature

Date of Birth : 24-04-2002

Career Objective : I aim to develop deep domain expertise and contribute to systems like insurance that promote financial stability and responsible governance. Over time, I hope to grow into a role that combines technical proficiency with strategic influence, possibly within a globally oriented organization.

Professional Qualification : Licentiate (III)

Student Profile

Ankit Kumar

Qualification : BBA Financial Investment Analysis

Date of Birth : 28-10-2002

Career Objective : Seeking a dynamic role in insurance underwriting to cultivate comprehensive industry knowledge, I am committed to a swift transition into actuarial science, leveraging analytical prowess to drive strategic insights and mitigate risk.

Ankur Jain

Qualification : B.Sc. Biology

Date of Birth : 17-12-2000

Career Objective : My goal is to work in a reputed insurance organization with a top-notch team where I can learn from the best and contribute with fresh perspectives and innovative ideas. As I grow in my career, I aspire to take on senior leadership roles where I can strategize, execute impactful plans, and create lasting value for all stakeholders.

Ankush Kalsia

Qualification : M.Sc. Pure & Applied Mathematics

Date of Birth : 06-11-2000

Career Objective : With a strong background in Mathematics and Police Administration (Forensics), I am keen to apply my analytical and quantitative skills in the field of Risk Management. I aim to build a career in actuarial science, contributing to the insurance industry by assessing risk and helping organizations make informed financial decisions.

Professional Qualification : Licentiate (III)

Anmol Arora

Qualification : BBA General

Date of Birth : 23-07-2003

Career Objective : Management student with a foundation in finance and business analysis, aiming to leverage academic knowledge and leadership experiences at an organization where I can experience real-world challenges, gain professional industry exposure and create measurable business impact.

Student Profile

Anubhav Manoj Purohit

Qualification : B.A. (Hons.) Economics

Date of Birth : 17-04-2002

Career Objective : I'm passionate about building a career in risk management and contribute to deepening financial inclusion through Innovative insurance solutions , My goal is to help reposition insurance not just as a risk buffer but as a strategic, portfolio-diversifying tool.

Anupam Singh

Qualification : B.Sc. (Hons.) Physics

Date of Birth : 03-08-2002

Career Objective : I aim to build a successful corporate career by maximizing the opportunities at NIA, while my long term goal is to attain a position in policy making.

Anwesha Das

Qualification : B.Sc. Agriculture

Date of Birth : 23-11-2000

Career Objective : To build a purpose-driven career in the insurance sector by integrating my academic background and grassroots exposure with a deep interest in sustainability, risk management, and community-focused solutions that drive long-term impact.

Arihant Mukul Kandarkar

Qualification : 4 year BS Economics

Date of Birth : 26-09-2002

Career Objective : Result-driven PGDM Insurance student with strong analytical skills and a keen interest in learning risk assessment and exposure management techniques. Seeking a challenging opportunity in a dynamic organization to apply my knowledge, grow professionally, and contribute to informed decision-making and maintaining a balanced risk portfolio.

Professional Qualification : Licentiate (III)

Student Profile

Arpit Verma

Qualification : BBA Business Analytics

Date of Birth : 19-02-2001

Career Objective : Talented professional with expertise in operations management, business analytics, and strategic consulting. Seeking an executive role to leverage my skills in improving business performance, optimizing operations, and driving growth in dynamic environments. Possesses exceptional interpersonal, problem-solving and analytical skills to provide advice and expertise to client organizations improving business performance.

Aryan Bharat Harne

Qualification : M.Sc. Zoology

Date of Birth : 09-05-1999

Career Objective : I aim to grow as a skilled insurance and risk management professional through continuous learning and contribution to the insurance sector with sincere efforts and aligned growth.

Professional Qualification : Licentiate (III)

Asam Bharadwaja Bhuvanesh

Qualification : B.Tech Electronics and Communication Engineering

Date of Birth : 15-07-2000

Career Objective : To work in a competitive and dynamic environment where I can take on challenging assignments that provide both job satisfaction and opportunities for continuous professional growth.

Ashmeet Singh Saluja

Qualification : B.Com Accountancy

Date of Birth : 12-03-2002

Career Objective : To apply my knowledge in finance and insurance to create meaningful value for the organization, while enhancing my own professional growth and contributing positively to all stakeholders involved.

Professional Qualification : Licentiate (III)

Student Profile

Atanu Mondal

Qualification : B.Tech Mechanical Engineering

Date of Birth : 07-09-1999

Career Objective : To pursue a challenging role in the insurance and risk management domain where I can apply my academic knowledge and analytical skills to support strategic decision-making, ensure effective risk mitigation, and deliver value to clients. I aspire to grow into a specialized professional driving innovation and resilience in the BFSI sector.

Atharv Vikas Divate

Qualification : BBA CA Computer Applications

Date of Birth : 21-09-2002

Career Objective : I'm excited to bring fresh insights and a collaborative spirit to a leadership role, applying the technical and insurance expertise I gained during my PGDM at NIA. By leveraging my analytical, teamwork, and problem-solving skills, I'll drive growth, meet strategic objectives, and continue growing professionally.

Professional Qualification : Licentiate (III)

Athul P M

Qualification : B.Tech Mechanical Engineering

Date of Birth : 03-11-1997

Career Objective : Leverage my technical expertise, communication skills and domain knowledge to drive innovation in the field of insurance and technology.

Ayush Anand

Qualification : B.Sc. ZBC (Zoology, Botany, Chemistry)

Date of Birth : 15-12-1999

Career Objective : To build a dynamic career in the insurance and financial services sector by combining academic insights with practical skills to contribute meaningfully to business performance and innovation.

Student Profile

Ayush Kumar Rai

Qualification : B.Com Accountancy

Date of Birth : 18-04-2004

Career Objective : My career objective is to work in a dynamic organization in a managerial role where I can apply my skills and knowledge in insurance and finance for the growth of both the organization and myself. I also aspire to work in a diverse and challenging environment that helps me in continuous learning and use them to progress toward a top management position or a leadership role.

Ayushi Singh

Qualification : B.A. English literature

Date of Birth : 12-12-2001

Career Objective : I want to build a meaningful career in the insurance industry where I can use what I've learned about risk and management to help people feel secure, make better decisions and also grow as professional.

Bais Rohith Singh

Qualification : B.Sc (Hons.) Agriculture

Date of Birth : 05-02-2001

Career Objective : My goal is to gain broad and comprehensive exposure in the insurance sector. I'm eager to explore diverse roles, driven by a genuine interest in understanding the industry. I aim to build a strong foundation and develop skills that will help me grow into a future leadership role. I bring adaptability, curiosity, and a strong willingness to contribute and learn.

Basar Lahari

Qualification : B.Sc. (Hons.) Agriculture

Date of Birth : 28-06-2003

Career Objective : To build a successful career in the insurance and risk management sector by gaining strong knowledge, practical skills, and leadership abilities at the National Insurance Academy.

Student Profile

Bhaskar Maity

Qualification : B.Sc. (Hons.) Mathematics

Date of Birth : 24-11-1999

Career Objective : Aspiring to build a dynamic career in the insurance industry by leveraging strong mathematical acumen and coding skills to develop data-driven solutions, optimize risk management processes, and contribute to innovation in actuarial analysis, underwriting, and insurance technology.

Professional Qualification : Licentiate (III)

Chaitanya Jayesh Waghmare

Qualification : B.Com Capital Market

Date of Birth : 16-07-2002

Career Objective : Gaining specialised and advance knowledge of the industry to seek dynamic and challenging roles in insurance, investment and risk management towards leadership in my carrier.

Darshan Jain

Qualification : B.Com Accountancy and Business Statistics

Date of Birth : 15-06-2002

Career Objective : Aspiring to become a professional in the insurance industry, leveraging my past experience in customer relationship management and lead conversion along with knowledge in commerce and finance, with a commitment to continuous learning and growth by gaining and applying knowledge and experience through practical industrial exposure.

Professional Qualification : Licentiate (III)

Debjit Midder

Qualification : B.A. English Literature

Date of Birth : 03-12-1998

Career Objective : To build a career in the insurance sector by combining my academic learning with real-world exposure. I am eager to learn, committed to working hard, and thrive in collaborative environments. My goal is to grow into a competent and responsible professional while contributing meaningfully to team and organizational success.

Professional Qualification : B. Ed

Student Profile

Deepak Kumar

PLACEMENT COMMITTEE

Placement Support at NIA

At NIA, the Placement Office serves as a vital bridge between the corporate world and the Academy. Headed by the Placement Chairperson and supported by a dedicated Placement Officer, the office oversees all placement-related activities. Under the guidance of the Faculty Placement Committee and in collaboration with the Student Placement Committee, the Placement Office ensures seamless coordination of Summer Internships and Campus Recruitment Programs.

The office actively engages with potential employers, organizing Pre-Placement Talks, Group Discussions, and Personal Interviews on campus. It also provides all necessary support to ensure a smooth and effective placement experience for both recruiters and students.

Building a Strong Campus Presence

The recruitment process reaches its full potential when students and recruiters engage in meaningful interactions. NIA offers a platform where recruiters can effectively communicate opportunities, showcase their organization, and better understand our students' aspirations and profiles, fostering stronger career alignments.

Conferences and Workshops

NIA regularly hosts conferences, workshops, guest lectures, panel discussions, and speaker series, creating valuable opportunities for academic and professional interactions between students and industry leaders. These initiatives strengthen recruiter-student engagement and help organizations maintain ongoing relationships with the NIA talent pool.

Pre-Placement Talks

Pre-Placement Talks offer recruiters a forum to present their organization's vision, mission, values, and work culture. These sessions give students essential insights into the company, aiding them in making well-informed career choices.

Customized and mutually convenient Pre-Placement Talks can be arranged through the Placement Office.
